WE NEED YOUR HELP

to make the Children's experience better for patients and families like you. Your perspective matters—whether your child is a patient in our clinics or has spent time in the hospital. There are lots of ways to be involved.

The orientation session for Families as Partners is coming soon. **Apply now.** Contact Tessa Billman, patient family-centered care coordinator, at 612-813-7407 or tessa.billman@childrensMN.org.
